Adjourn Meeting

Welcome to this regular meeting of the Crow Wing Township Board of Supervisors. We're glad you could be with us this evening! This agenda will give you a general idea of the order in which we will address various issues, although it will vary from time to time. There is a time set aside for public comments. You may ask questions and/or make comments during this time. Please use this time only for items not listed under Old Business or New Business. As this is a meeting of the Board, only Supervisors are allowed to make motions and vote. If you have a comment regarding an issue under discussion, please raise your hand and the Chairperson will call on you to address the Board.

TOWN BOARD REGULAR MEETING, TUESDAY, June 8, 2021 6:00 PM, CROW WING TOWN HALL

Board Members Present: Chairman Tucker Schuety, Supervisor Doug Kern, Supervisor Paul Stephany, Treasurer Sue Kern, and Clerk Duane Ruona.

Tucker called the meeting to order at 6:00 pm and the Pledge of Allegiance was recited.

Doug made a motion to approve the agenda. Paul seconded, motion passed 3-0.

There were 412 gopher bounties from Tom Mertens.

There was no New Business.

Under Public Comments George Burton was present to request that Lone Oak Road be closed for a fireworks display on August 14th from 9:15 PM to 9:45 PM. Doug made a motion to close Lone Oak Road from address 7801-7804 on August 14, 2020 from 9:15 PM to 9:45 PM. Tucker seconded, motion passed 3-0.

Under Unfinished Business no new information has been received from KLD on the township taking over Lone Oak Circle. Tucker contacted Brad Miller who is taking care of the Bay Lake Township website. He would charge \$500 to set up the website and a \$75 monthly fee thereafter. He would post the minutes, agendas, public notices and any announcements on the website. Paul asked if there was a limit to the amount of storage and who else he has done websites for. Brad said that some type of agreement would be required that would answer those questions. Tucker will follow up with Mr. Miller about these questions.

There is nothing new to report on the current property violations. The Town Hall Street residence with the landscaping boulders now has a large brush pile. Brad thought that the number of boulders has been reduced. Brad will visit with Amanda from Sourcewell about the new complaint received and suggest another letter be sent to the property owner. Brad will also discuss the Estate Circle complaint with Amanda to get a letter sent out.

Brad said that the cost to print the updated Comprehensive Plan is between \$115 and \$135 per copy. After discussion it was decided that six printed copies would be enough as well as an electronic version. Doug made a motion to get six printed copies of the updated Comprehensive Plan from Sourcewell. Tucker seconded, motion passed 3-0.

Brad also brought up that Michels Underground Utilites didn't get a permit to do the work on Wetherbee Road. The damage to the right-of-way they did has been fixed. Brad also questioned why the township is paying the electrical costs for the street light at County Road 21 (St. Mathias Road). When the streetlight was installed, there was an agreement that the township would pay the electrical costs and the county would pay for installation. The bulletin board has not yet been installed at Wild Rice Depot.

Randy Powers said the flagpole at the cemetery is very rusty at the bottom. He noticed it when he put the flags up for Memorial Day. Doug will take a look at the flagpole to see what needs to be done to fix or replace it.

Payroll was reviewed and approved. The Treasurer's report and claim numbers 1535-1552 were reviewed and approved.

Doug gave the Road Report. He has been patching potholes and will continue working on that. Mattresses and a chair in the right-of-way were picked up on Cook Road. Some of the trash on Cook Road had a name on it and the Sheriff Department contacted the individual to clean it up. Doug contacted David Blair about removing beavers along Wetherbee Road. Doug has not been able to connect with Mike House about repairs to ATV damaged areas and the shoulders on Cook Road. Doug will contact Dales Excavating about the culvert extensions that still need to be installed on 50th Avenue. Crackfilling township roads was discussed. Newly paved roads will be routed and filled within two years of paving. The plan for crackfilling the rest of the township roads will be discussed at the August Town Board meeting.

Under Communications an email from Captain Andy Galles of the County Sheriff Department was discussed. There is a question about not having speed limit signs on 50th Avenue and Catherine's Way for mounting the solar-powered speed sign. Tucker will contact Andy about the questions so that the solar-powered speed sign can be installed. Minnesota Association of Townships membership cards were handed out to the township officers. A request to the county asking for a street sign on a private road in the township was reviewed. A resident's question about broadband access improvements in the township was discussed. A notice from Crow Wing County about the Federal Stimulus Funds that are available to the township was reviewed. A solicitation from Town Web Design in Madison Wisconsin for website design was reviewed.

A motion was made by Doug to approve the May 11, 2021 regular meeting minutes as written, seconded by Tucker. Motion passed 3-0.

Paul made a motion to adjourn, Tucker seconded, motion passed 3-0. Meeting adjourned at 7:10 pm.
