Welcome to this regular meeting of the Crow Wing Township Board of Supervisors. We're glad you could be with us this evening! This agenda will give you a general idea of the order in which we will address various issues, although it will vary from time to time. There is time set aside for public comments. You may ask questions and/or make comments during this time. Please use this time only for items not listed under Unfinished Business or New Business. As this is a meeting of the Board, only Supervisors are allowed to make motions and vote. If you have a comment regarding an issue under discussion, please raise your hand & the Chair will call on you to address the Board.
